The background of the slide features a large offshore oil rig on the left and two gas tankers on the right, all set against a backdrop of a clear blue sky and a calm blue sea. The rig is a complex structure with multiple levels and a central derrick. The tankers are large, dark-hulled vessels with white superstructures.

Gas India Expo 2024

Gas India Expo (GIE) is an International Exhibition platform to display latest innovative technologies, products & services from across the global gas and allied industry and presents an opportunity for the gas community to come together, form partnerships & networking and meet key buyers and sellers, share the knowledge and define the future of natural gas industry at one place.

Benefits of Participation

- ◆ Meet high quality prospects and decision makers
- ◆ Brand Building opportunity among the Industry
- ◆ Direct Interaction with industry suppliers, buyers and distributors
- ◆ Explore latest technologies, products and services
- ◆ New import & export opportunity
- ◆ Network with Industry professionals
- ◆ A platform to launch new products

Industry Overview

Demand for energy in a fast-growing economy like India is galloping. The country is already the third largest consumer of energy in the world. India retained its spot as the third-largest consumer of oil in the world.

The gas sector is among the eight core industries in India and plays a critical role in the growth of our economy.

India's demand for gas is expected to almost double by 2030 to reach 115 BCM. By 2050, the demand for gas in the country is expected to rise to 170 BCM. The consumption of natural gas in India is forecasted to escalate at a CAGR of 12.2 percent to attain a figure of 550 MCMPD by 2030 from 174 MCMPD in 2021. According to the International Energy Agency (IEA), in India the consumption of natural gas is expected to enhance by 25 BCM, registering an average annual growth of 9 percent until 2024. India's industrial gases market is estimated to expand rapidly in the following years till 2026.

Besides Indian government has introduced several policies to cater to increasing demand for oil and gas in India. It has allowed 100 percent foreign direct investment (FDI) in several areas of the sector, including natural gas, petroleum products and refineries, among others.

The Next Edition of the Gas India Expo 2024 is expected to facilitate to sellers to showcase and buyers to source new products, solutions and technologies, equipment's, strengthen and opportunity to build relationships with the entire energy value chain, including Natural and Industrial Gas, LNG, PNG, hydrogen, low-carbon solutions and allied industries.

WHO SHOULD ATTEND

- Gas Producers (Industrial, Natural, Water Vapour & all type of Gases)
- Gas Equipment
- Gas Technologies
- Gas Carrier Ship-building
- Gas Meters
- Gas Storage
- Gas Transportation
- Gas Compressors
- Gas Turbines
- Gas Detection
- Gas Analysers
- Gas Cutting Equipment
- Gas Extraction Technologies
- Gas Handling Equipment
- Gas Applications
- Gas Pipelines and Materials
- Gas Measuring and Testing
- Gas Transportation Packaging Materials
- Gas Field Land Equipment and Technology
- Gas Auxiliary Equipment and Materials
- CNG and LNG Filling Station Equipment
- Industrial Gases Equipment, System and Technology
- Latest Energy Saving Gases and Equipment
- Cryogenic Temperature Heat Exchange Equipment
- NGV and LNG Ship
- CNG Station Technology
- CNG Station Builders
- Small Scale LNG
- LNG Engineering
- Instrumentation & Automation
- Regasification Terminals
- Pipeline Manufacturing
- Control & Safety Valves
- Coating & Insulation
- Membrane Technologies
- Digitalization, IT & Innovation
- Safety Equipment
- Cylinder Testing Equipment
- Medical Gas Equipment
- Cryogenic Liquid Pumps
- Global Utility Companies
- Engineering Contractors
- Ship Builders
- Distributors and Service Providers
- Government Institutions
- Trade Associations & Media
- Gas Companies
- Gas Equipment Manufacturers
- Drilling Companies
- EPC Companies
- Process Industry
- Pipe & Fitting
- Manufacturers
- Pump & Valve
- Shipbuilding & Marine Solutions
- Automation
- Energy Technology | Renewable
- Energy & Environmental Technologies
- Fossil Fuels (Oil, Gas, LPG, LNG, CNG & Coal)
- Forging
- Machine Tools
- Compressors
- Bio Fuels Manufacturers and More
- LP Gas LP Gas Equipment LPG Services and other Accessories for LPG/NG/SNG

ORGANIZERS

Indian Exhibition Services (IES) is the leading Exhibition organizing company in India and has been involved for the last several years in trade promotion activities like exhibitions, seminar & conferences, buyer seller meets in India and abroad. IES major initiatives are Sport India Expo, Fitness India, Rehab India Expo, Sport India Conference, Sports Goods Manufacturers Forum, Sport India Infrastructure Summit, Sport India Fashion Show, World Environment Expo, Greenovation – International Green Building Technology Expo, Biodegradable Expo, World Environment Conference, EV India Expo, E- Charge Forum, India Buildtech, Gas India Expo, NGV India Expo, World Gas Summit etc.

IES is engaged in national and international trade promotion and provide business platform to the corporates, industrialist, and small-scale industry to promote their products through the buyer seller meets & trade exhibitions with the aim to create a bridge between buyers and suppliers.

PARTICIPATION OPTIONS:

1. Exhibit, Built-up Booth - INR 12,000/SQM
(Minimum 9 SQM booth)
Bare Space – INR 11,500/SQM
2. Contribute as a Sponsor- Expo &
Conference with huge branding opportunities
3. Participate as Delegate
