

GAS INDIA EXPO 2023

International Exhibition on Natural and Industrial Gases
Production - Processing - Refining - Refuelling,
Gas Technologies, Gas Equipment, and Allied Industries

**06-08
JULY 2023**
India Expo Mart,
Greater Noida,
NCR U.P. India

Gas India Expo (GIE) is an International Exhibition platform to display latest innovative technologies, products & services from across the global gas and allied industry and presents an opportunity for the gas community to come together, form partnerships & networking and meet key buyers and sellers, share the knowledge and define the future of natural gas industry at one place.

INDUSTRY OVERVIEW

India is one of the fastest-growing energy market and has emerged as the 3rd largest energy and oil consumer in the world after US and China. India increasingly relies on LNG and is the 4th largest LNG importer globally.

India's economic growth is closely related to its energy demand, therefore, the need for oil and gas is projected to increase, thereby making the sector quite conducive for investment. The oil and gas sector is among the eight core industries in India and plays a major role in influencing the decision-making for all the other important sections of the economy.

The Government of India (GoI) has adopted several forward looking policies and initiatives to fulfil the increasing demand and is focusing on increasing domestic production of oil and gas, improving energy efficiency and productivity, giving thrust on demand substitution, promoting biofuels and other alternate cleaner fuels. GoI has allowed 100% foreign direct investment (FDI) in various segments of the sector, including natural gas, petroleum products and refineries, among others.

While focusing on the gas-based economy, GoI has set a target to raise the share of natural gas in India's energy mix to 15% by 2030 from 6.3% and is developing the Natural Gas infrastructure in the country to implement "One Nation One Gas Grid".

BENEFITS OF PARTICIPATION

- **Meet high quality prospects and decision makers**
- **Brand Building opportunity among the Industry**
- **Direct Interaction with industry suppliers, buyers and distributors**
- **Explore latest technologies, products and services**
- **New import & export opportunity**
- **Network with Industry professionals**
- **A platform to launch new products**

WHO SHOULD ATTEND

- Gas Producers (Industrial, Natural, Water Vapour & all type of Gases)
- Gas Equipment
- Gas Technologies
- Gas Carrier Ship-building
- Gas Meters
- Gas Storage
- Gas Transportation
- Gas Compressors
- Gas Turbines
- Gas Detection
- Gas Analysers
- Gas Cutting Equipment
- Gas Production & Processing
- Gas Extraction Technologies
- Gas Handling Equipment
- Gas Applications
- Gas Pipelines and Materials
- Gas Measuring and Testing
- Gas Transportation Packaging Materials
- Gas Field Land Equipment and Technology
- Gas Auxiliary Equipment and Materials
- CNG and LNG Filling Station Equipment
- Industrial Gases Equipment, System and Technology
- Latest Energy Saving Gases and Equipment
- Cryogenic Temperature Heat Exchange Equipment
- NGV and LNG Ship
- CNG Station Technology
- CNG Station Builders
- Small Scale LNG
- LNG Engineering
- Instrumentation & Automation
- Regasification Terminals
- Pipeline Manufacturing
- Control & Safety Valves
- Coating & Insulation
- Membrane Technologies
- Digitalization, IT & Innovation
- Safety Equipment
- Cylinder Testing Equipment
- Medical Gas Equipment
- Cryogenic Liquid Pumps
- Global Utility Companies
- Engineering Contractors
- Ship Builders
- Distributors and Service Providers
- Government Institutions
- Trade Associations & Media

ORGANIZERS

Indian Exhibition Services (IES) is the leading Exhibition organizing company in India and has been involved for the last several years in trade promotion activities like exhibitions, seminar & conferences, buyer seller meets in India and abroad. IES major initiatives are Sport India Expo, Fitness India, Rehab India Expo, Sport India Conference, Sports Goods Manufacturers Forum, Sport India Infrastructure Summit, Sport India Fashion Show, World Environment Expo, Greenovation – International Green Building Technology Expo, Biodegradable Expo, World Environment Conference, EV India Expo, E- Charge Forum, India Buildtech, Gas India Expo, NGV India Expo, World Gas Summit etc.

IES is engaged in national and international trade promotion and provide business platform to the corporates, industrialist, and small-scale industry to promote their products through the buyer seller meets & trade exhibitions with the aim to create a bridge between buyers and suppliers.

The Federation of Indian Petroleum Industry (FIPI) is an apex Society of entities in the hydrocarbon sector and acts as an industry interface with Government and regulatory authorities. It supports the Government in resolution of issues and evolution of policies and regulations. It represents the industry on various Government bodies, committees and task forces and has been instrumental in voicing industry concerns with various ministries and regulators.

FIPI organizes seminars, conferences, workshops, roundtable meetings and brings out study reports to support the Govt. with evidence based policy recommendation. FIPI, under the aegis of the Ministry of Petroleum and Natural Gas (MoP&NG) provides support in organising India Energy Week (IEW), India's largest Energy Conference & Exhibition. FIPI also participates in international conferences and exhibitions and is open to collaborate and forge alliances with international bodies and associations to promote the oil and gas industry and to serve the interests of its members.
